

the **ROAR** *your monthly District 44N newsletter*

OCTOBER 2022 / VOLUME 28 / ISSUE 4

Dear Lions:

Please join me in welcoming the following new Lions to the District: Ann Gilbert - *Antrim-Bennington*, Robert A. Penalis & Melissa A. Underhill - *Canaan*, Allen F Mello - *Cohase-Woodsville*, Alyssa L Hammond - *Enfield-Mascoma*, Anna Costa-Turner, Vanessa A. Governo, Stephanie Howland, Janet Lonergan, M. Marie Mahoney and Ryan R. Smith - *Franklin Area*, Tonya Marshall - *Keene*, Barbara Evans Balch & Lisa Ellis - *Orford*, Melinda B. Degan & Melissa A. Ouellette - *Wilton*

I would like to remind all clubs that **Lions Youth Services** has a grant program that will refund expenses up to \$500.00 per event \$1,000.00 maximum per Lions Year for youth activities. The **District** has also set aside \$5,000.00 to reimburse new membership fees payable to either the club or new member (*whoever paid the fees*). Retroactive to July 1, 2022. Also included in this \$5,000.00 is a reimbursement up to \$200.00 for recruiting new members.

The **Multi-District** is looking for \$100.00 from each club to offset the expenses of a float and a marching band for the 2023 International Convention in Boston.

My travels in the month of September began with a journey up to **Canaan** to attend their business meeting, a great dinner, listening to projects planned along with speakers from the **Bristol** Lions discussing a Christmas Event and fundraiser.

Lion Rhonda & I visited the **Pinardville** Lions having a nice late lunch, swearing in some of their officers. Great meeting with a terrific club.

Attended a **Peterborough** outing at the Edward MacDowell Lake Park, fun meeting with this club, ate way too much. Then on to a **Hillsboro** outing in Manahan Park where I had the privilege to install Lion Don Ager as their LCIF Coordinator and Mary Morehouse Rogers as their Club President. Tried to convince Roger Racette's lovely wife into joining the club without success; I will keep trying.

Travelled up to the **Hanover** Lions where I gave a pitch for partnering with a casino and discussed some of the items available to the club from the district and

LYS grant program. I was impressed with the activities that this club is involved within the community.

Off to visit the **Pemi-Baker Grafton County** Lions where I was bestowed with the honor and privilege of inducting a new member and installing their club officers. Stayed close to home visiting the **Brookline** Lions where I discussed what was happening at the district level and the LYS grant program that is available. This is a club that has a big impact on their community.

Worked the Memo Foundation's Art and Music Festival in Milford along with members of the **Milford** Lions selling food to the attendees of the festival.

Traveled back to the **Hanover** Lions where I broke bread with the membership and was granted the honor and privilege of inducting a new member. I informed the membership of the programs that the district was trying to do to help the local clubs.

On the 22nd I was off to the **Monadnock** Lions where once again I was allowed the honor and privilege of inducting a new member to their club. Discussed what the district leadership is trying to do to help the clubs.

The 25th was an active day for me as in the morning I went to the **Souhegan** Lion's Pancake Breakfast Fundraiser, *I had to roll myself out of there!* Later that afternoon I went to the **44H Hudson Lions** 75th Anniversary celebration and learning all about their club's history.

The following day I travelled far north to Fairlee Vt for a **Zone 7** meeting. What a fun time getting to know the clubs in that zone and the projects they are accomplishing in their towns.

Looking forward to visiting with you in the months ahead; contact me if you have any new member you wish inducted into your club as I enjoy and feel it is an "Honor and Privilege" in welcoming a new member in the wonderful world of Lionism.

Many thanks to all the Lions of District 44N for all the hard work and your effort as you continue "**Rockin' It In Service**" in your communities!

John Wynne, 44N District Governor

Dear Lions,

Great! International is offering a Marketing award. How do I go about marketing my club, my projects?

Well, Lions International has what you need! Of course, they would like all clubs to have a marketing communications chairperson so they have created a guide to assist you in this process. They provide information on how to use the Lion brand and also provide a kit. You can check out **SMILE**, where Lions around the world can help you navigate social media with online and they also offer in-person training. Just check out lionsclubs.org and search for marketing.

Not sure that you want to jump right in to writing and producing your own articles and stories. Then International also provides 30 and 60 second public service announcements. That work is already done for you, all you need to do is find a radio station.

So, let's all get out there and tell our communities who we are, what we do and how much fun we have together!

Yours in Lionism,
FVDG Toni Olden

DIABETES

Diabetes Foot Care Tips

Taking care of your feet when you have diabetes is an important part of your self-care regimen. Diabetic nerve damage can lessen your ability to feel sensations like pain, heat, and cold. This means that you may not even realize that you have a foot injury like a cut or blister until it gets infected. Nerve damage can even cause the shape of your feet and toes to change, making regular shoes uncomfortable and possibly damaging to your feet. Diabetes also causes blood vessels to narrow and harden, resulting in poor circulation (blood flow) – another culprit when it comes to foot complications. While even small cuts and ulcers can lead to more serious infections that result in the loss of a limb, there are things you can do to protect your feet. Follow these tips to help prevent injury and reduce the risk of developing foot problems that can occur when you're living with diabetes.

PRACTICE GOOD DAILY FOOT CARE

Wash your feet every day but refrain from using hot water. Instead use warm soapy water and be sure to check your feet for sores, cuts, blisters, corns, or redness. Dry your feet carefully and apply a gentle moisturizer. Take care to avoid moisturizing between your toes which can lead to infections.

HOW TO TRIM YOUR TOENAILS

Keep toenails trimmed because long or thick nails can press on neighboring toes and cause open sores. Be sure to trim toenails straight across – cutting into the corners of nails can cause ingrown toenails. Finish by using an emery board to file down any sharp edges.

CHOOSE THE RIGHT FOOTWEAR

Avoid going barefoot, even in your home, to reduce risk of injury. Wearing socks and shoes (or slippers at home) gives feet extra protection. Plus, moisture-wicking socks help keep your feet clean and dry. Before putting shoes on, check for any sharp objects like small rocks and wear shoes that fit properly without pinching your toes or rubbing against your feet. If your shoes aren't comfortable, ask about special therapeutic shoes or inserts that may be right for you.

WORK WITH YOUR DIABETES CARE TEAM

Care for your feet, and your overall health, by controlling some of the things that cause neuropathy and poor blood flow. Follow your diabetes care team's advice for quitting smoking and keeping your blood glucose (blood sugar), blood pressure, and cholesterol under control. If you notice problems like numbness, ulcers, or cuts that have not healed, contact your doctor right away. - *Submitted by Jeanne Drugg*

GST REPORT

Service Reporting 136 Activities have been reported as of this writing. Congratulations to GAP Mountain who have entered 18 activities and Hillsboro who have entered 17. Many are entering their activities but we still have 21 clubs who have not entered anything yet. Please report all the great things you are doing!!!! If you are having difficulties, just email or call me and I will help!

We had a good number of people attending this month's GAT meeting on Service. Many ideas were shared and brought up. Remember to let me know if there is a specific topic you would like me to cover at our next meeting which will be in December. October will be Leadership. I would also like to alert you to the flyer about the District Wide Service Project we are doing for CHaD. There are suggestions for donations on the flyer and websites for their wish lists also.

I hope to see you all be able to participate in this project. Bring your donations to our Cabinet Meeting in November and I will make arrangements to get the items up to CHaD.

**From LCIF Chairperson
Douglas X. Alexander**

Greetings Lions and Leos!

We are each guided by kindness to serve not only those in our own communities, but also people in need around the world. Giving to Lions Clubs International Foundation (LCIF) ensures that your donation makes the most impact, both locally and globally. LCIF is the only Lions foundation to empower the service of Lions worldwide, and 100% of your donation benefits LCIF grants and programs. Thank you for joining me in service through doing AND giving.

**PRESIDENT'S
MESSAGE**

Together we can with
International President,
Brian Sheehan

One of the best parts of being a Lion is that every day you can see how your service changes lives right outside your door. But that's only the beginning. Because whether your focus is local or global, your impact goes far beyond your community. Especially when we serve our global causes.

Our global causes unite the talents and innovation of every Lion and Leo around the world. So if you're looking to take on an ambitious new service project, consider one of our global causes. And no matter how you serve, keep it up because Together We Can starts with you.

Lions of MD44:

2023 will mark **100 years of Lionism in New Hampshire**. With this in mind and with the **International Convention** being held in **Boston, July 7-11, 2023**, we want to celebrate this significant milestone.

We are planning to have the NH Pipe & Drum Band lead us in the International Parade as well as having an MD44 float. In order to do this, we need you and your club!

As the MD44 Council we are asking every club to consider making a donation of \$100 to help cover the costs. We also want to hear your ideas and thoughts beyond the band and float. We strongly encourage you to register and attend the convention.

Please make checks out to MD44 and in the notation "International Convention" and mail to:

TALES OF THE SERVICE TRAIL UPDATE

October 2022

WOW! Was not Calgary great!!!! Karol and I had a great time meeting with all of you, and table hosting some of you. It was a busy six days for us, how was your trip and stay?

Not sure what we are talking about? Well the USA/Canada Lions Leadership Forum, of course. It was held in Calgary this year. It was the first time since 2008 when we all went to Saskatoon that Canada hosted us for a Forum. It is three days of fun-filled knowledge-gaining camaraderie with Lions from across North America! Now if you missed it, get ready for next September! We will see you in Reno!

Before we get there though, remember LCICON 2023 BOSTON! We will be there in force to greet you here in New England, and to elect Connecticut's own Lion Mark Lyon, PID, as our next International Third Vice-President. As you can expect, the MD 33/Massachusetts Lions are going all out to make this the biggest and best convention ever. And the rest of New England will be there to greet you.

Together We Can! We are the world's greatest service organization because we work together. We can grow our clubs. We can retain our members. We can serve even more people in each of our communities as a result. **Together We Can!** Let us all do our part to continue this great tradition of Lionism. And while we have celebrated the success of Campaign 100, let us not stop contributing our fair shares to LCIF so we can serve more people in even larger projects right here in your community.

For several months I have closed each "Tales ..." with ten ideas for finding new members (totally stolen from other Lions). The responses continue warming, so here are ten more ideas:

71. At club meetings, have each Lion practice their 15-second elevator talk.
72. Conduct an LCI Member Satisfaction Survey.
73. President – ask three members to recruit a member for next meeting.
74. Bring your boss to a project/meeting!
75. Partner with a woman's business association.
76. Bring a co-worker to the next project.
77. Bring your employees to the next project.
78. Have New Member applications and kits at every meeting.
79. Use LCI posters, brochures, and videos to promote your club.
80. Hand out cards for a "free" meal at the next meeting.

Another ten next month?!

Enjoy your fellow Lions as you gear up for this new Lions year. Plan the next service project and plan the fundraiser to make that project work so well. **Have fun!**

I thank all of you for this honor to serve the Lions of the world and all of our communities. We promise that we will do our best to represent each and every one of you Lions world-wide.

How Do We Make More Leaders?

Comments from Multiple Council Chair Bob Gustafson

Is there a trick to making more leaders in our Clubs, Zones and Districts? Where do they come from? How do we find them? Who are they?

Some leaders are just made that way. They are those “take charge” people who are always the ones to step up, volunteer first, and organize any task. They will tell you who they are and let you know that they are ready to step into leadership beyond their club. You probably can think of a few of these people right now.

But what about the other leaders? The ones who may not know that they are leaders. These are the ones who quietly run projects, take on tasks, are your “go to” person when you need something done. You may not think of them as leaders, but in their own quiet way, they do lead and people tend to follow them. These are the people we will talk about today.

When you look around your club, do you see any of these highly efficient, organized, dedicated Lions? They don’t toot their own horn, they just get things done. And they work with others to complete a given task. When things absolutely need to get done, these are the Lions that we turn to.

Let’s stop over-looking them as leaders. We need to start reaching out to them and start mentoring them to step up within the club, into the Zone and even possibly the District. There is a formal mentoring program within Lions. You can find information on lionsclubs.org This is a great way to encourage reluctant leaders to find their inner leader. Encourage them to go to training. Not only does this give them more information that they will need, but they get to meet other Lions. Give them support, advise, and motivation. Help set them on the path to be successful Lion leaders!

GLT District 44N
Sue Lindberg

As I previously noted, this is a very exciting year for the Multiple District. We will be voting on our International Director candidate, PCC Steve Middlemiss, at the Mid-Winter Convention in January and then we will be preparing for convention festivities at the 105th International Convention in Boston in July. I’ll just note again that 2023 is the 100th year of Lionism in New Hampshire as our Manchester club chartered in 1923. They had a very nice article in the Union Leader recently.

As you may know, we sent out a request from the DG’s and myself for donations to fund our activities for the Boston Convention. The donations are starting to roll in. Thank you!

Also, many of you helped out at the Hampton Seafood festival on September 11, 2022 at the various admission gates and I’m pleased to say that we will receive a check for \$5,000 from the Hampton Area Chamber of Commerce for our efforts. \$2,500 will go back to the Clubs that assisted and a \$2,500 bonus will stay with the Multiple District. Thanks goes to PDG Marie Hall for working this idea. And, a special shout out to the Vaccaro’s (Lion Marilyn and PDG Jerry) for their hard work with coordination. This was all done on short notice but we got it done. After all, we’re Lions! Thank you Lion volunteers.

It’s my understanding from PCC Steve Middlemiss that the USA Canada Forum in Calgary, Canada in mid September went very well. We had a small but enthusiastic group from New Hampshire attend and commiserate with our fellow Lions. What a great Association we are.

Lions Youth Services

The September 8, 2022 meeting was somewhat challenging as there was a double booking of the room and we were faced with carrying on the meeting outside of the function room. Carry on we did despite it. However, due to being separated by booths and in front of the kitchen, loud music and noise from other public diners, our two guest speakers from the BEST BUDDIES organization were excited and were not intimidated by the challenge. They described how the organization works at the middle school, high school and college levels by matching a participant with intellectual and developmental disabilities (IDD) and a participant without IDD based on shared interests for at least one school year of friendship. Participating in activities and spending quality time together in-person at least twice a month is suggested for buddy pairs. Best Buddies host events and group activities throughout the year and gives the pair a chance to socialize with other pairs. Best Buddies provides a lot more than just friendships but also helps the IDD participant prepare for possible job opportunities and to become independent in some cases. There are 31 elementary, middle, high schools and colleges across NH & VT who are currently participating in this program.

I personally can vouch for this program as I have seen it realized for my cousin who resides in Massachusetts who has been part of this program for quite some time. She has a buddy who she has held a friendship with and has changed her life enormously. She graduated from high school years ago and to this day, they are still best friends. For more information concerning Best Buddies New Hampshire, visit their website:

Peace Poster Contest - "Lead with Compassion".

By now, hopefully, everyone has begun and all groups and schools are well on their way to the November deadline. The actual deadline date for the contest should be scheduled with the group and or school. Since November 11 is Veteran's Day and schools are closed, please arrange to judge your participants posters by November 10 or by no later than November 14 since they need to be judged by the District Governors by November 15.

This year we will continue with emailing a photo of the winning poster to Rhonda Wynne at rwynnemilford@comcast.net - also if you have other participants you would like to send, please send a photo and name of artist as well.

If you have any questions, please don't hesitate to contact Rhonda Wynne.

Terri Lynn Fundraiser - please look for the latest flyer in this newsletter. As always we thank you for all the support with this fundraiser as we promote the great nut and chocolate selections from Terri Lynn.

LYS Grant Program - you will find an application in this newsletter. Applications are reviewed and approved at each monthly meeting. Please be sure to fill out completely and mail directly to Lions Youth Services at PO Box 156, Atkinson, NH 03811.

Our Next Meeting is scheduled for 6:30 pm, Thursday, October 13 at the Airport Diner - All Lions are welcome!

Fidelco Octoberfest

Lions have been the “Knights of the Blind” ever since Helen Keller challenged us in 1925 to take up that mantle. Have you ever wondered just what that might mean? It means supporting organizations that encourage individuals who are blind to greater independence and to live a full life.

The DogSight Project was established in 2000 to supporting and encouraging the Fidelco Guide Dog Foundation. If you have an interest in learning about Guide Dogs and what they do, Fidelco is holding an Octoberfest this year on Saturday, October 22, from 10am to 5pm at their campus on 103 Vision Way in Bloomfield, CT. Among the many activities planned are Guide Dog demonstrations, blindfold walks with a Guide dog, “Puppy Olympics,” working dog demonstrations and a lot more. There’s face painting and pumpkin painting for the kids too, so you can make a day of it. For complete details, check out the Fidelco web page: <https://fidelco.org/octoberfest22/>.

Hope to see you there!

I would like to thank PDG Marie Hall for running the September meeting as I was in Calgary at the USA/Canada Forum.

Project Chair Lion Dan Diemand brought forward 5 new cases (4 were approved). After vendor discounts and club contributions the final cost to LSHF was \$5,037.00. Year to date LSHF has helped 10 individuals for a cost of \$11,937.00. Once again, a great job by Lion Dan. Thank you Lions of MD 44 for supporting LSHF and allowing us to help those in need in our communities.

Treasurer PCC Fred Plett emailed his reports both for the treasurer’s and our endowment meeting as he was also in Calgary.

PCC Roger LaTulippe reported on behalf of the Granite State Fellow program that Harris Trophy has been acquired by Crown Trophy who will honor our pricing through year end.

Please remember that every Lion of MD44 is a member of Lion Sight and Hearing Foundation and are always welcome to our monthly meetings held the third Thursday of each month at the Airport Diner at 6:30 pm.

Yours in Lionism
