

Greetings Lions of 44N:

The district Global Action Team (GAT) is hard at work finalizing plans for service, membership, and leadership. Each of our team leaders will be reaching out to the clubs to discuss them in detail, and to describe the clubs' role in helping us all to grow.

There will be some exciting opportunities to participate in district level plans, such as our efforts to establish new clubs, and/or meeting the membership challenges of "Stayin' Alive 1.5." And, if you are not having fun, you're not doing it right.

Remember, the secret sauce to keeping your club strong in service, membership, and leadership is to build your plans to keep all three coordinated and in motion. How do you plan for membership growth as part of your service plans, and how do you ensure that club leadership is adequately prepared to manage your clubs' success? All three elements of the Global Action Team are critical to growth. The more we grow, the more service we can provide. There will always be a need for us to address. You have the GAT structure built right into your club.

If you would like some guidance on how to plan for the growth of your club, please reach out to us. PDG Toni Olden is focusing this year on helping clubs plan and achieve their goals as the "Global Membership Approach (GMA)" leader.

I know I like to say, "Get It In Gear This Year," referring to all of the above. But maybe we should be saying, "GAT It In Gear This Year," as the Global Action Team drives growth!

Kind Regards in Lionism,
Mike Lahey
District Governor, New Hampshire 44N

PAM PRENTISS
1st Vice District Governor

Greetings Lions of New Hampshire. I am getting ready to attend my first USA/Canada Forum and can't wait to let you know what I learned. I also just got my DGE classes information and will start on that right away.

I have been working hard to find places to hold my cabinet meetings and to find wonderful Lions to fill out my cabinet. Please let me know if you have a passion in a certain area where you would love to serve!

I have started scheduling visitations and can't wait to meet more of you and hear all about what you are doing! Service is our way of making a real difference people can see. Learn about the needs of your community and then come up with a service you can do that will help fulfill one or some of your community needs. If you need any help, explore the Service Toolkit on the LCI website. You will act to fill humanitarian needs with ideas from the Service Project Planners and then you need to CELEBRATE by sharing your service experience and the benefits provided with your community and with the global community of Lions by reporting your service.

Remember, reporting helps us to get funding from larger corporations when they see what an impact we are making. It also allows for us to ask for grants from LCIF to help run a service activity.

Reach out to clubs in your Zone and the cabinet members if your club needs help with any service activity. We are all eager to help when we can.

Remember, our expanding focus areas are now: Vision, Youth, Disaster Relief, Humanitarian, Diabetes, Childhood Cancer, the Environment and Hunger.

NANCY CHARBONO-RICARD
2nd Vice District Governor

As you are reading this, I am on my way to the USA/Canada Lions Leadership Forum in Louisville, Kentucky. This is my first time attending the Forum, which begins on Thursday, September 5, and ends on Saturday, September 7. There are 34 Lions attending the Forum from New Hampshire.

Each day of the Forum will offer Lions the opportunity to participate in leadership training, attend workshops, hear from motivational speakers, and network with other Lions from across North America.

The Forum's service project this year will be a collection of warm winter clothing and food supplies for the Dare to Care Food Bank in Louisville.

A Strides Walk for Diabetes Awareness will take place on Thursday afternoon. Thursday evening's opening banquet will include a Derby Hat contest!

Randy Pierce, New Hampshire Lion and President & CEO of Future in Sight, will be the keynote speaker at Friday's lunch. An annual treat will be the gathering of New Hampshire Lions on Friday evening.

The New England Lions Council will host a breakfast on Saturday morning with special guest Past International President J. Frank Moore. International President Fabricio Oliveira will be the keynote speaker at Saturday's lunch. Closing ceremonies will take place at Saturday evening's banquet.

I'm looking forward to the opportunity to gain new skills as well as exchange ideas on how to enhance service to our communities.

Thank you for making a difference in your community.

Zone Chairpersons Wanted

As Zone Chairperson, you serve as the link between the district and the clubs.

You are the district cabinet member who is the closest to the clubs in your district. By understanding the needs of the clubs in your zone, you help clubs achieve excellence in leadership development, membership growth, meaningful community service, and fundraising efforts for LCIF.

If you would like to know more, please reach out to myself or any of the district leaders to discuss. This is a great opportunity to learn more about Lions and meet new people . We can arrange a mentor to assist you making this next step. Both in person and online training available.

THE DOGSIGHT PROJECT

A Program of New Hampshire Lions
Multiple District 44 – Health Services of NH

Thank You

As I took my walk today with my beautiful Fidelco German Shepherd guide dog, I thought about how many generous people made this walk possible for me. I was able to enjoy the birds singing in the woods besides the road, smell the wonderful fragrance of the newly mown fields, and know that I was perfectly safe and would not stumble on unexpected debris on the roads from our recent storms. My dog’s journey to being my companion and guide all began with donors.

You, the Lions of New Hampshire MD44, walk with me every day I go out. I am sincere when I say, thank you for making my life as a blind person independent and happy.

Linda Piekarski, Chair, the DogSight Project

Lions Clubs International
FOUNDATION

We are all aware of the Emergency Grant that Lions Clubs International Foundation (LCIF) gives districts when a disaster strikes, but did you know that they offer districts a Disaster Preparedness Grant?

Districts that are interested in partnering with local authorities and other community organizations to plan and prepare for future relief efforts can apply. Lions should identify needs and determine their role in the community well in advance of a disaster. The idea is for Lions to partner with local emergency/disaster management services and other social agencies to engage in advance planning through training.

Grants are available in \$5000 and \$10,000 amounts and also available year round. Local funds must account for 10% of the request. Priority will be given to districts susceptible to regular and repeated natural disasters and those that appoint ALERT chairpersons or an equivalent position. The grant must be applied for in advance of a disaster.

Applying for the grant will take some research. It requires details on natural disaster relief activity in the District and any awarded LCIF Emergency Grants .

The current emergency plan has to be included with a list of any other involved organizations . It should also include any Lion involvement in prior relief efforts. Once the research is compiled, the district has to create a detailed plan of action.

A full list of the criteria and some eligible project ideas can be found at:

<https://www.lionsclubs.org/en/start-our-approach/grant-types/disaster-grants>.

Antrim-Bennington Lions

Demonstrates a commitment to the International Lions club motto, “Where there’s a need, there’s a Lion!” Members are active in many projects in the area. Activities in August centered around assisting with the building project at Avenue A/Grapevine Family Resource Center and building community spirit at the summer concert series in Antrim and at our annual social event.

Members continued to assist the Avenue A Teen Center with a building project at the Grapevine Family Resource Center. Over several weekends members moved wood from the woodshed and removed the tools from the tool shed in anticipation of the construction project. These efforts were critical for the center to break ground in September.

This year the Lions resurrected the “Blues and Barbecue” outdoor event that coincided with the Antrim town summer concert. Volunteers served grilled hot dogs and hamburgers while other members mingled with the crowd to raise awareness of Lions programs and encourage potential members to join the A-B Lions family. A little rain and hail did not dampen our enthusiasm that evening! We kept on carrying on!

One highlight of August was our 4th annual social event, *Lions on Monadnock*, which featured dinner and numerous, amazing raffles and silent auctions. Guests purchased tickets for baskets of fly-fishing equipment, wine basket, tea basket, and an inflatable giraffe! Under the shadow of Mount Monadnock many developed and deepened friendships. This fundraiser continues to be a big success.

Upcoming events are the Antrim Home and Harvest Festival, the KidSight eye screening event, and the Lunch Buddies program at Antrim Elementary School. Our annual cornhole tournament and chicken barbecue are popular events during the Home and Harvest Festival. We look forward to continuing our efforts to build community at Antrim Elementary School through the lunch buddies program. The Principal has already started the conversation, and the children and Lions members are anxious to start.

Volunteers plan to bring the KidSight eye screening program to over 500 children in the ConVal school

district. Volunteers will be trained this month, and then rotate through the schools in the fall. This is another great way that we serve the youth in our community!

Bedford Lions

On July 30, five Bedford Lions, along with additional helpers, cleaned and wrapped medical supplies that will be delivered to AFYA, an organization that will distribute these items to locations around the world.

A big thank you to Bedford Lions Lois Brodsky, Pablo Casaverde, Gina Spleen, and Mike & Claire Sills who spent the afternoon prepping 8 walkers, 33 sets of crutches, 7 canes and 5 wheelchairs to be delivered to people across the globe in most need of medical assistance.

Bedford Lion Elda Cordero-Goodman will transport these supplies to AFYA, located in Yonkers, NY. According to Mike Sills, who maintains a medical supply closet year-round at his home: *"The AFYA folks really appreciate our cleaning and wrapping. It's so much easier to load their trucks to go to the docks."*

Lion Sophie Cutler handed out free popcorn to concert goers during Bedford's 2024 summer concerts in the park. The last concert of the season took place on August 7.

While a smile and a thank you was all anyone needed to give when they picked up a bag of popcorn, the generous Bedford community also donated funds to help the Lions make an even greater impact on those we serve.

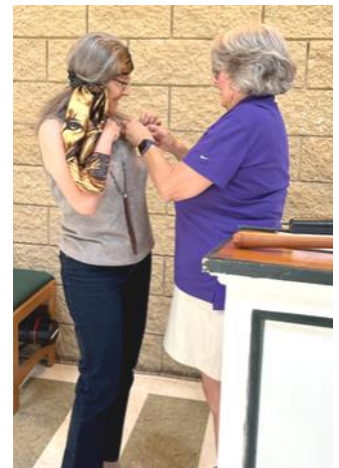

At the August 11 District Cabinet meeting, the Bedford Lions received two awards. The first was in recognition of exceeding IPDG Toni Olden's 2023-24 service challenge. All clubs were challenged to report at least 42 hours of service per year, per member. The Bedford Lions exceeded this challenge, by recording 100 hours of service per member for the 2023-24 Lionistic year. Here's a picture of Bedford Lion Elda Cordero-Goodman, proudly displaying our club's new Service Star banner patch.

IPDG Toni gave the second award to Sophie Cutler, who received IPIP Patti Hill's International President's Award for outstanding service to Lions International. This award is an expression of appreciation for excellence in service to those in need. The Bedford Lions are proud to receive both awards!

On August 13, members of the Bedford Lions got

together for our annual summer social where we enjoyed good food, live music, and great conversations at the outdoor patio of a local restaurant. We look forward to a great year ahead!

Chesterfield Lions

Our club is gearing up for a new year. We will begin meeting again in September. We have had the opportunity to help the Monadnock Lions club manning the ticket gates at the Cheshire Fair.

We will be providing hamburgers and hot dogs at the 2024 Car Show in Spofford on August 25. This is a new opportunity for our club to serve our community and we are looking forward to it.

Members will be attending the LYS John Wynne night at the Fisher Cats game on the 24th.

We also attended the 44N and 44H cabinet meetings and it was great seeing so many friends again.

Our Kidsight screenings will be happening on September 13, and lots more are being planned for the future.

ENFIELD-MASCOMA LIONS

Provided the Shaker Museum Summer Concert’s attendees with food and beverages during the evening and meals prior to the start. Also participated in the Enfield Old Homes Day celebration by having the food wagon at various events throughout the weekend including a chicken barbeque dinner on Saturday evening.

A donation was made to assist a family with the medical expenses for their young daughter.

ENFIELD-MASCOMA LIONESS

Provided and served an ice cream social for seniors at the Mascoma Area Senior Center in Canaan on Wednesday, July 17th as part of their luncheon.

Although our pillow project is not in full swing until fall, a few members have been sewing and stuffing post mastectomy pillows to donate to DHMC. About twelve pillows have been completed to date and a sewing bee is scheduled for the fall.

HANOVER LIONS

Another busy Lions summer in Hanover! A half dozen Lions held a very successful food drive to benefit the Mascoma Food Shelf. Both non-perishable food and personal care items were collected and delivered to the food bank.

We've created and assembled Grab and Go meals for senior citizens several times this summer at the Black Community Center. The menus have varied from Medallions of Pork Tenderloin, with garlic roasted potatoes, grilled asparagus and roasted apples to Baked Ham with Macaroni Salad, Mixed garden fresh seasonal vegetables and cookies for dessert.

We manned the Bar-B-Q tent at this year's enormous Prouty fundraiser for Cancer research, prevention, and family support. With over 4,500 participants, over \$8,000,000 was raised. We are proud to have participated for decades!

For the 31st year our club hosted the Twin State All Star Lacrosse Tournament for New Hampshire vs. Vermont graduated seniors. Although it turned out to be an overcast, drizzly day, the New Hampshire athletes prevailed in both the men's and women's games.

The Hanover side of Health Closet continues growing. Each month we're averaging over 100 people served with over 275 pieces of equipment, while travelling over 2,000 miles and investing over 100 hours. We continue to serve with pride. For more information, visit our website at healthcloset.org

This Hummingbird photo was taken by a patient from his hospital room. For a number of years, one of our Lions and his wife have provided 26 feeders and Shepard’s poles outside Oncology patient’s windows.

These are serviced twice weekly, swapped with refilled and clean feeders . Sadly, now the hummers have begun departing for warmer climates. The original "snow birds"?

HENNIKER LIONS

You might say the Henniker Lions were able to experience the "Sweet-Sound of Summer" by kicking off the communities "Concerts On The Common" series. The club set up a strawberry shortcake table for fundraising and at the same time spreading the word about all the wonderful services and events that the Lions do. We are also happy to announce that after having such a positive experience at our recent Craft Fair and concert event, we have added three new members to our club. ROAR !

June 28th is our upcoming and very popular "Bob Clarke" Golf Tournament Scholarship Fundraiser. This will be our third year working with the Clarke family to raise scholarship money for those students looking for careers in the trades. The event is being held at Dustin Country Club in Hopkinton and it is sure to produce many mulligans, smiles and tall tales on the 19th hole!

Lastly, July is the time of year for the club to say a big "Thankyou", to those club officers who have served and to those beginning anew. We appreciate your dedication and service to keep the Henniker Lion's going strong.

As summer is winding down, we are grateful for another season of gardening and gatherings. We know fall is just around the corner when we start digging up “spuds” from our community garden!

We are also looking forward to the annual Henniker Handmade and Homegrown event where we get to gather with old and new friends alike, while educating our community about the Lions, LCI and the many ways we provide service and support to those in need.

We are also very proud of our club president, Sarah Keniston, who at our recent district meeting, was given the District Leadership award, the D44 Environmental/

Committee NH Lions Green Team award and accepted on behalf of the Henniker Lions Club, the 2023-24 District 44N Service Star award!

We are also happy to report our Membership Chair, Marti Capuco, has been busy holding orientation/info meetings for several new members and more to come.

We would also like to thank the recent speakers from our local Food Pantry, Social Services Department and White Birch Center who educated our club about the important community work and services they provide on a daily basis, but also how much our club's donations, volunteerism and fundraising positively impacts these programs. ROAR!

HILLSBORO LIONS

Enjoyed our annual Summer Cookout at the Mahanan Park Pavilion on August 18. Despite the rain, a great time and great food was enjoyed by all. Nine Lions and five non-Lions attended the event. The summer cookout marks the end of our summer break.

Our new King Lion, Kathy Audette, is preparing to tackle our busiest part of the year which kicks off with a “Reading is Fundamental” (RIF) event in October; a Vision Screening at all three Hillsboro-Deering schools and Washington Elementary School; our annual Senior Thanksgiving Dinner in November; and finally, our annual Christmas Food Baskets project in December.

PCC Don Ager and PMCST Meg Ager attended the Northeast Lions Pin Swap in Rutland, VT, August 13-16, 2024.

Collected 90 pairs of eyeglasses and 22 pairs of sunglasses. *~Submitted by Roger Racette, Secretary*

KEENE LIONS

The Keene Lion’s Duck Race was a great success on many levels. It was a huge fundraiser, fellowship, membership, service Project all in one. Over 250 Hot Dogs were given out to the community, there were many kids games, face painting, coloring contest and many duck prizes given out. This event NETTED over \$24,000.00 for the Keene Lions club.

The winners of the race have each been notified and are as follows:

1. \$5,000.00 KT Szoc from Northfield Mass
2. \$1,000.00 Lauria Smith, *works at SBW, Walpole*
3. \$500.00 Rosalind Humes
4. \$500.00 Laurie Martato, *playing for over 20 yrs*
5. \$3,000.00 Purple Duck – Christine Ray

Lion Steve Gyory, was presented a Melvin Jones Fellow – he is a fantastic Lion who has worked to help the club with many events. He is a vital part of the Kidsight Program, Pickleball Tournaments, Duck Race and many organization needs.

We also inducted three new members to the Keene Lions club – (below); Adam Colombie, TJ Kelly and Scott Olmstead. Their sponsors in the photo are Lion Annie Colombie and Lion Christine Houston.

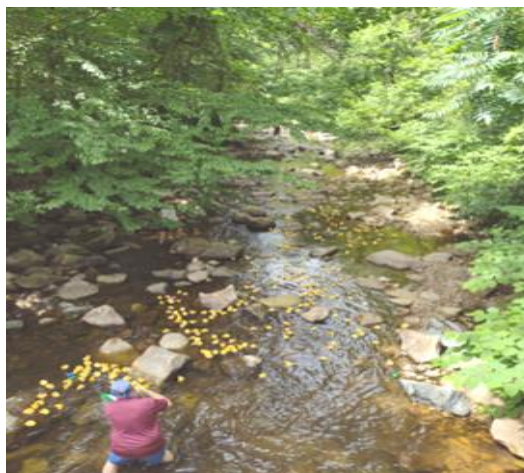

LEBANON UPPER VALLEY LIONS

The club completed their 3rd annual Duck Race on July 4, 2024 by sending over 300 rubber duckies down the Great Brook river near the base of the Lebanon Outing Club’s 45-meter ski jump. Water level was rather low this year but still provided a great race of slightly over 8 minutes and easily identified winners. Collection task was considerably easier than past years with the implementation of a better collection net and more experienced Lions. Winners earned gift cards of \$500, \$250 and \$100 respectively plus a box of energy bars to “Tail-end-Charlie, the last place finisher.

We took part in the police sponsored “National Night Out”, an opportunity to meet the community. Four Lions manned an information booth at the national Police-Night-Out on the Lebanon Common August 6th.

Two Lions have volunteered for the NH Association for the Blind’s Future-In-Sight program providing transportation for sight challenged individuals. Most demand is in the southern parts of the state but our volunteering fills an unanswered need in the “North Woods.” Have already completed two assignments.

Getting organized for the upcoming Lionistic year by scheduling our first meeting Sep 3 at the usual meeting place, the Masonic Franklin Lodge #6 on Green Street in Lebanon.

PETERBOROUGH LIONS

The club has received their new vision screener and is reaching out to local schools to resume our Vision Screening program. Planning is under way for our annual Spaghetti supper. Lions Roland Patten and Arlene MacArthur attended the Cabinet meeting in Orford. Our club was presented with a Club Excellence Award at the Cabinet meeting for 64 hours of community service per member for Lion year 2023-2024. Trex plastic recycling and collecting gently used shoes for Soles4Soles continues.

Lions Sandy Williams, Cheryl Seifert, Roland Patten, and Michael Reimer learn to use our new vision screener.

MERRIMACK LIONS

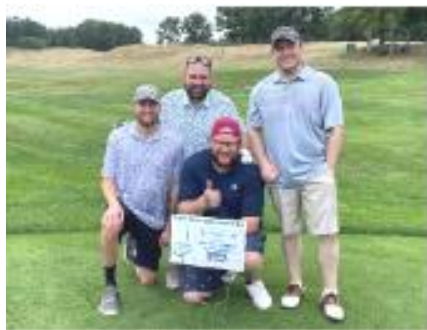

Summer is coming to an end and Merrimack Lions are wrapping up their summer projects. July 29 Found Lions having fun at our annual golf Tournament. We had 76 golfers this year who helped This be a successful fundraiser.

King Lion Paul and Secretary Rosemary attended the Cabinet Meeting in Orford. What a great and well attended meeting!

MILFORD LIONS

Donated 25 backpacks for the back to school initiative with SHARE Outreach.

The Milford Lions Granite State Swim Meet Project was a success! Sold over 100 Breakfast Sandwiches (Bacon, Egg & Cheese), 240 Hamburgers, 120 Hot Dogs, 52 Cheese Pizzas, 19 Pepperoni Pizzas, and drinks/snacks. A total of 150 volunteered hours and an estimated 500 people (swimmers/families/staff) were served over the two days. Many thanks to PID Ed Farrington for chairing this service project and to all the Milford Lion members for their help and work, very much appreciated by all!

Ended the month of August with our Community Supper at the SHARE Hall. There were about 50 or so in attendance. Getting ready for the upcoming Pumpkin Festival.

AYLA BROWN AND ROB BELLAMY

With sweet harmonies and a catchy concoction of melodies, Massachusetts natives and country duo, [Ayla Brown & Rob Bellamy](#), first began writing songs together after meeting over a 1000 miles away in Nashville. They eventually began recording demos, uploading videos on Facebook and YouTube of their songs, and booking shows together along the East coast. In 2019, they released their first EP, *Make it Mean Something*.

Ayla Brown was a contestant on American Idol season 5 where she placed in the top 16. A woman of many talents, she is also a former NCAA basketball player and a graduate of Boston College with a degree in communications.

Rob Bellamy, in addition to Country Music fame, was drafted by the Hockey team, the Flyers, in the 3rd Round of the 2004 NHL Entry Draft. He made his professional debut on 4/2/08 vs. Norfolk after signing an ATO with the Phantoms.

Support WindowDressers!

The climate affects everyone, but it hits lower income residents the hardest. Many of these families live in older, poorly insulated homes, with higher heating costs that strain already tight budgets. This forces difficult choices between staying warm and having enough to eat.

The NH Lions Green Team and Henniker Lions Club have partnered with WindowDressers, a volunteer-run nonprofit, to address this challenge. This November, at the Merrimack Valley Build, they will teach residents to build their own insulating window inserts at low or no cost. These inserts can make a Significant impact: just ten can save a household over 85 gallons of fuel in a single winter. Yet, in the Merrimack Valley area—including Henniker, Hopkinton, Hillsboro, Antrim, Canterbury, Loudon, and Boscawen—the cost of over \$500 for 10 inserts remains out of reach for more than half of the families who need them.

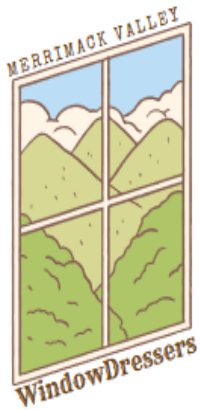

By donating to WindowDressers through the NH Lions Clubs, you can help your neighbors save money, and stay warm. Please send your donation to the Henniker Lions Club, PO Box 808, Henniker, NH 03242 with WindowDressers” in the memo line. Should we exceed our fundraising goals, any additional funds will support WindowDressers’ work across Maine, Vermont, and New Hampshire.

****Join us on “LIONS DAY,” November 9, 2014, at the Merrimack Valley Community Build at the Canterbury Town Hall, 1 Old Tilton Rd, Canterbury NH (8am and 1pm shifts) or volunteer at other builds this fall and winter across New Hampshire—including Exeter, New London, Monadnock, and North Conway.**

Help meet our District goal of launching a new service project and earn a NH Green Team Patch by reporting your service to NHLionsGreenTeam@gmail.com

When we serve, everyone wins!
